## **Pacific School Games**

The Pacific School Games (PSG) is an international sporting event for primary and secondary school students aged ten to nineteen, held every three to four years. It is the flagship event of [School Sport Australia](#).

The 2008 Pacific School Games will be held in Canberra, Australia's national capital and home to the Australian Institute of Sport.

One of our long serving staff member's grand-daughter has qualified to represent WA in the Pacific School Games which are being held in Canberra from 30th November to 6th December 2008.

She is 12 years of age and her main events are 80mtr hurdles, triple jump, long jump and 100mts. She is the current WA State Champion in her age group for hurdles, triple and long jumps.

She is a dedicated athlete who her coaches feel has a lot of potential and could go on to represent Australia in future years.

Imagetec wish her all the best for the Pacific School Games.

## **Paralympic Silver and Bronze Medalist**

**JAN PIKE**

For Jan Pike, born with cerebral palsy, success in the sport of Equestrian has extended all the way to the world stage achieving medals at both World Championships and Paralympics. She did so with the assistance of her beloved horse, Dr Doulittle. Together they took on some amazing challenges and gained success that many of us only ever dream of achieving.

In recent times, Dr Doulittle has had to be retired and Jan, with her strong desire to succeed, had set out to find a new partner.

In a search that stretched across this big land, that included a serious fall whilst trialing a new horse and a long lay off with the Equine Influenza, Jan finally met Griffin.

Together they are on the road to continuing the success that Jan Pike has achieved so far and Imagetec Solutions is proud to be supporting these endeavors.

## **United in Hope 10<sup>th</sup> Anniversary Ball**

United in Hope fundraising began in 1998, with the specific purpose of raising money for cancer research and treatment, having raised in excess of \$700,000.00 for various cancer hospitals and institutions. The proceeds from these balls have contributed greatly to the lives of many adults and children suffering from cancer.

Imagetec is proud to be supporting the 10<sup>th</sup> Anniversary Ball, which this year is dedicated to the memory of Jack Thomas Mew, who passed away last year at the age of 16, having been diagnosed with Leukemia at the age of 4. All proceeds from this year's event will go to the Oncology Unit at The Children's Hospital at Westmead.
